A HARPER NOVEL OF SUSPENSE

SUSPENSE •

Chilling!

"One of the most
fascinating,
authentic,
dramatically
excellent
books I have
ever read on
espionage
and counter-
intelligence."

—VER WYCK MASON

**LEGACY
OF A SPY**

By **HENRY S. MAXFIELD**

"I read it through without
a pause, and found it fas-
cinating... From the novel
I would make the following
deductions: The author is a
professional spy. Only a guy
who has been in OSS or
CIA could know all these
techniques... He knows
how to put a tale together,
and hold interest to the
last page." —PAT FRANK
